

Clarification # 1

RFP # 2011/L002 - LNG Floating Storage & Regasification Terminal September 15, 2011

Item #	Clarification Requested	Response
1	There seems to be a problem with some of the numbers listed under “terminal requirements” in the Indicative Term Sheet. We are not able to read your requirements, as they are only showed as dots. (page 66 in the RFP).	These figures shown as [●] in the Indicative Term Sheet are intended to be filled in by the Bidder to indicate their proposed Terminal’s design parameters.
2	Pre-Bid meeting will be held at 10:00am in Kingston, Jamaica on 26 September. Is it possible for us to have our representatives attend such Pre-Bid Meeting? As far as we see the RFP documents, this tender process is open, and prequalification of bidder have not been done yet, and it will be made in parallel with evaluation of the Bid after the end of November.	Attendance at the Pre-Bid meeting on Monday, September 26, 2011 in Kingston, Jamaica and the site visit to Port Esquivel on Tuesday, September 27, 2011 is open to all interested parties without any pre-qualification requirements. The arrangements for the pre-bid meeting is being finalized and further details will be communicated at www.cabinet.gov.jm/procurement/lng as they are available. The intended start time and date for this pre-bid meeting is at 10:00 AM on Monday, September 26, 2011. There will also be a site visit to Port Esquivel on Tuesday, September 27, 2011. Please fill out and return the form that is attached below if you intend to attend the pre-bid meeting or site visit. This will assist in preparing the facilities and transportation for these events.
